The Perfect Eyewitness

The road can be a crazy place. Protect yourself in the case of accidents, insurance fraud, distracted drivers, and road rage. This 1296P Super HD Dash Cam continuously records the road ahead so that your side of the story is always protected.

Protect, relive, and share with Drive HD Dash Cams by Cobra — Record Your Ride!

FEATURES:

- **Super HD Video**
1296P Super HD Video for crystal clear recording in both daylight and nighttime conditions. Whether for a traffic incident, spectacular road trip, or mundane commute, Drive HD captures all of the details.
- **Automatic Operation**
Loop Recording continuously records the road ahead as you drive. G-Sensor detects impacts and automatically protects surrounding footage. Parking Mode records when motion is detected.
- **Extreme Temp Protection**
Built with supercapacitor technology to withstand the extreme temperatures in your vehicle. This dash cam is battle-tested for reliable performance in the most frigid cold snaps or punishing heat waves.
- **Advanced Driver Alert System**
Distracted driving is more prevalent than ever. Lane Departure and Forward Collision Warnings let you know if you are drifting out of your lane or quickly approaching an object in front of you.
- **Easy to Use**
Simple and intuitive operation. Automatic recording and shutdown lets you set it, and forget it.
- **Ready-to-Go**
Includes 8GB Micro SD Card, Low Profile Adhesive Mount, and Vehicle Power Adapter. Simply Mount, Power, and Drive!
