VDO RoadLog Office^{TM} Service Levels and Pricing

VDO RoadLog Office™ Solo   VDO RoadLog Office™ Advanced   VDO RoadLog Office™ Premium

VDO RoadLog Office^{TM} Solo:

- **No recurring monthly fees, no contract**
- A one-time license/activation fee of $60 per-vehicle is paid directly to Continental during the online account activation process.
- One Fleet Key per company and one Driver Key per driver are required for data transfer. The Fleet Key includes one vehicle license/activation.
- RoadLog Office^{TM} Solo is the replacement for desktop Fleet Software. Changeover is **free**.

NOTE: Drivers using the Solo version of the RoadLog Office^{TM} portal will need a Driver Key, even if they are using a RoadLog ELD PLUS, as there is no data transfer by cellular connectivity with Solo. Driver Key data can be uploaded to RoadLog Office^{TM} Solo from most Internet-connected computers.

VDO RoadLog Office^{TM} Advanced – Subscription Rates:

- $19.95/month/vehicle with a three-year subscription
- $24.95/month/vehicle with a one-year subscription

VDO RoadLog Office^{TM} Premium – Subscription Rates:

- $29.99/month/vehicle with a three-year subscription
- $34.99/month/vehicle with a one-year subscription

Subscription Plan Features:

- No additional per-driver fees
- Subscription fees are flat rate - no overage charges or roaming charges
- Subscriptions are billed by Continental
- Subscription rates are the same for both Canadian based and US based carriers - billed in US dollars
- Vehicles can easily travel back and forth across the Canadian border with no data connectivity issues

Note: Fees above are in addition to your hardware purchase.
