

## Fleetguard Coolants

Roughly 40% of all problems in heavy-duty diesel engines are related to improper cooling system maintenance. And as you well know, engine problems lead to higher maintenance costs and significant downtime. Fleetguard has a complete family of coolant and chemical products to meet your needs and the high standards of leading global engine manufacturers.

# Restore™/Restore™ Plus Heavy-Duty Coolant Cleaners

The safe and efficient way to clean heavy-duty cooling systems

## Remove Contaminants Without Harm.

Once a cooling system is contaminated, water alone cannot clean the system. Fleetguard Restore and Restore Plus address a wide range of contamination without harming the metal surfaces, gaskets, hoses or plastic components of heavy-duty cooling systems.

## Application/Performance Chart.

The choice of cleaner should be based on the cooling system problem to be addressed

Problem	Restore	Restore Plus
Silicate Gel	Excellent	Poor
Rust	Poor	Good
Scale	Poor	Excellent
Oil, Grease & Fuel	Excellent	Good
Solder Bloom	Poor	Good

### Restore

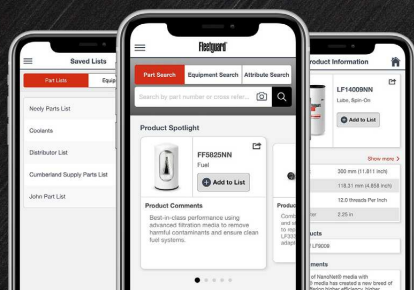

- Alkaline-based chelating cleaner particularly effective in cleaning silicate gel
- Highly effective in removal of oil and fuel contamination

### Restore Plus

- Acid-based chelating cleaner
- Designed to remove heavy rust and scale deposits
- Can also remove oil contamination and solder bloom

## Important:

Fleetguard Restore and Restore Plus contain NO antifreeze.  
Do not allow cooling system to freeze during cleaning operation!

# GRAB A JUG!

## NEW LOOK. SAME PERFORMANCE.

### DTNA EXCLUSIVE SALES PROGRAM

CC36181CSJ - CA

CC36181 - US

#### ■ WHAT'S NEW FOR DTNA:

- Upfront Pricing (No Rebates)
- No Minimum Orders and No Truckload Bulk Orders Required (3 Jugs / Case)
- Free Shipping on \$1500+ USD Ship Direct Only Orders with Mix of Coolant and Filtration Products
- Available Now Thru Your Authorized DTNA Dealers

#### ■ NEW LOOK. SAME PERFORMANCE:

Our Fleetguard ES Compleat OAT formula contains the same quality and protection you know and trust with 1 million mile organic technology for diesel, gasoline, natural gas, and battery electric applications, and 2-EH acid free formula with no extenders required. When you choose a Fleetguard product, you can be confident you're backed by superior warranty protection from the moment of purchase through the product's recommended lifespan.

Contact your Fleetguard or DTNA Representative for more details on this exciting opportunity!
