Easy Install. Less Downtime. Longer Life.

Exclusive Bi-Directional Lip Seals

Designed to be installed in both directions prevents the threat of air locks in the system.

SteerKing's bi-directional seals take the guessing out of installation.

Bi-Directional Lip Seals

A sealed assembly runs better.

Engineered for faster installation while improving durability and performance, our grease lip seals are a Steer King exclusive that keep dirt and contaminants out, reduce wear-and-tear, prevent airlock, and increase quality and reliability.

Seal it with a perfect fit.

Our bi-directional lip seals install fast—in either direction.

Always the correct orientation.

- The seals cannot be put in wrong.
- Faster installation process.

Prevents airlock.

- Enhances performance and reliability.

Keeps dirt and contaminants out.

- Improves durability and performance.
- Protects the king pin and reduces wear and tear on the assembly.

Extended life when using seals.

- Durability and lasting performance from a sealed assembly.

Steer King products are engineered to be long-lasting and are known for hassle-free installation, which saves time and boosts productivity for both shops and truck owners.

Steer King® is an ATRO® brand with parts backed by the industry's best warranties. Our parts are built with pride in St. Clair, Missouri by a team who cares about delivering a quality product for you.

ATRO Parts. Performance that drives your success.

Leave the packing to us.

Our pre-packed bearings* save you the effort—and 10-20 minutes per install.

Bearings pre-packed with grease.

- Ensures proper grease application for performance and durability.
- Saves the hassle, effort, and time of handling and applying grease.

Precision ground surface.

- High-quality machined parts.

Openings face towards the ground.

- Fast, easy orientation for installation.

***Important Note: Mack Bearings Configuration**
Special Note for Mack Owners: Due to specific configurations, Mack bearings are not pre-packed, but Steer King's quality and precision remain unmatched.

Steer King products are engineered to be long-lasting and are known for hassle-free installation, which saves time and boosts productivity for both shops and truck owners.

Steer King® is an ATRO® brand with parts backed by the industry's best warranties. Our parts are built with pride in St. Clair, Missouri by a team who cares about delivering a quality product for you.
